

Honeycomb

Ingredients

1.8oz. Honey

4.5oz. Glucose (Corn Syrup)

11.5oz. Sugar

2.3oz. Water

.5oz. Baking Soda

Directions

To prepare the honeycomb, add the glucose, sugar, honey and water to a pan and place over a high heat. Once the mix starts to lightly caramelize (approximately 320 f), whisk in the baking soda and pour onto parchment paper. Allow to set before breaking into smaller bite-sized pieces
