

Lemon Granita or Snow Cones

2 cups

Ingredients

1 ½ cups water

½ cup sugar

½ cup lemon juice

Assorted syrups for topping

Directions

1. Add sugar and lemon juice and add hot water to dissolve sugar.
2. Place mixture in a 9x13 pan and place in freezer.
3. Every 30 minutes scrape mixture with a fork until completely frozen and snow cone like.
4. Top granita with snow cone syrups or it is delicious on its own.

Optionally this can be made with any sweetened liquid, juices, coffee, etc.
